Chantale debuted her nursing career in Ontario, Canada, where she first started taking care of patients in Hospice care, as well rehabilitated injured patients, also took care of those who were ventilator dependents.

After moving to the US in 1995, she continued working in multiple areas like: Women's Health, Pediatric, post open-heart surgery, ER, Wound Care Champion, ICU, and Med Surge. As her strong desire to help others persists, she went back to school to extend her knowledge to become a Family Nurse Practitioner where she is been tirelessly finding ways to help and serve her community.

When Chantale is not serving her patients, her interests are reading, dancing, gardening, and traveling.
